

### **Plungers Direct App Launch**

July, 13<sup>th</sup> 2020 – Golden, Colorado

Well Master is pleased to announce the launch of our newest technology and service, Plungers Direct. The Plungers Direct App is your one stop online buying platform for all things plunger lift. Our customer's safety is our top priority which is why we have chosen to offer a direct buying platform that allows for limited in person contact and sales interactions. Designed to offer customers an easy, contact free buying experience, Plungers Direct is for both current and new Well Master customers. Plungers Direct will offer all of our most popular part numbers and will include, our major plunger, springs and lubricator product lines as well as accessories, controllers, sensors and valves. All Plungers Direct orders will also include free standard shipping.

Created specifically with our customer's needs and safety in mind, Plungers Direct is simple use and hassle free, so you can produce more and spend less! Simply input your information, select products from our vast product offering list and purchase. Currently, this application is only available to US end users, however we hope to bring Plungers Direct to our international customer and distributor base soon!

Download the Plungers Direct App today for all IOS devices!
